## **ELECTRIC TRANSPORTATION OF ARKANSAS IS OPEING IT'S DOORS ON FEBURARY 4<sup>TH</sup>, 2008**

LITTLE ROCK, AR, DECEMBER 28, 2007: Electric Transportation of Arkansas (ETA), a new business venture by native Arkansans David Bevans and John Akins, is set to open to the public the first Monday in February at 323 S. Cross St., Ste. B.

With tax credits available for the purchase of solar powered vehicles, ETA is bringing to the Arkansas market 100% electric/solar vehicles. ETA is an innovative venture unique to Arkansas having the states only complete inventory of electric and solar vehicles. ETA offers: LSVs (Low Speed Vehicles), NEVs (Neighborhood Electric Vehicles), sport and leisure vehicles, as well as utility trucks, lifts, vans etc., anything needed for a business or individual to help do their
